

## Solent Network

### Aiming for zero carbon buildings

*Neville Rye*

*Director, UK based international Engineering Consultants, WSP UK*

In the past decade the need for co-ordinated world wide action to reduce carbon emissions has been demonstrated as being of critical importance to the future of the planet. This lecture will address the following three topics:

- Legislation for Change
- Environmental Profiling
- Enhanced Sustainability Measures

This event is free of charge.

Advanced registration is required. Further details at:  
[www.theiet.org/solent](http://www.theiet.org/solent)

This event is sponsored by Advanced Resource Managers Limited

**Thursday 12 March 2009 at 7.30pm, preceded by a  
Networking Opportunity and Buffet from 6.00pm  
Langstone Technology Park, Langstone Road  
Havant PO9 1SA**
